PROFESSIONAL PROFILE

Multilingual, motivated, nurturing, Registered Nurse with excellent interpersonal skills seeking a full-time challenging position as a clinical nurse in medical-surgical or telemetry acute care. Mature, compassionate, caring, reliable, flexible, devoted, and dedicated to the highest performance levels in patient care and advocacy.

Wishing to expand scope of practice to acute care after having completed initial training in Neuroscience care.

EXPERIENCE

REGISTERED NURSE, Preceptor
Ochsner Health System, New Orleans, Louisiana
Neuroscience
August 2016 – June 2017

- Used strong prioritization and time management skills to effectively care for up to five patients in addition to assisting colleagues with their charges.
- Managed ventilated patients, started, managed, and titrated intravenous lines, inserted urinary catheters, administered medications via most routes, administered and monitored enteral and parenteral feedings, performed frequent neuro assessments, arterial and vascular blood draws, interpreted cardiac rhythm strips, used cardiac monitors, assisted with exams, positioning, personal hygiene, and treatment, assisted with admissions, and performed patient teaching.
- Provided competent and thorough assessments and evaluations to monitor for early signs of decompensation or new symptomology and reported same to interdisciplinary teams using standard communications.
- Formally trained as a Preceptor in Ochsner’s Preceptor Academy in order to facilitate in the onboarding of newly hired nursing personnel.

HOME HEALTH AIDE
Swords to Plowshares, San Francisco, California
June 2014 – January 2016

- Provided frail and elderly residents with training and assistance with personal skills and care, as well as activities of daily living.
- Assist with transportation, making and meeting medical and other client appointments.
- Contributed to mental wellbeing through therapeutic communication and active listening.
